Dear Stanley ,

Study Title: Examining the Timeliness of Routine Vaccination During Heatwaves

LSHTM MSc Ethics Ref: 33670

Thank you for your application for the above MSc research project, which has now been considered by the MSc Research Ethics Committee.

Confirmation of ethical opinion

On behalf of the Committee, I am pleased to confirm a favourable ethical opinion for the above research on the basis described in the application (CARE) form, and supporting documentation, subject to the conditions specified below.

Conditions of the favourable opinion

Approval is contingent on local ethical approval having been received, where relevant. It is the responsibility of the student and their supervisor to ensure appropriate local ethical approval is in place before a study commences (ie if you indicated in the local approval section that local approval is required).

Approved documents

The final list of documents reviewed and approved by the Committee is as follows:
